Dear Ms. Cowan:

I have received your letters dated May 29 and May 30, 2017 by fax, twice, yesterday afternoon. I have yet to receive the letters you sent on May 19, 2017 – would you please forward those letters immediately by fax.

The Rules require that this fast track appeal must be placed on June 12, 2017, hearing list. It was to be placed on that list immediately after I filed the factum and other documents on May 19, 2017. It is unclear at this time why this was not done and why the Registrar appears to yield to Ms. Rensonnet's/Mother's demands to postpone the hearing of this appeal to October 2017.

Regardless of the reason for the Registrar's failure to follow the Rules and place this fast track appeal on June 12, 2017, hearing list, **the appeal must be and can be placed on June 12, 2017 hearing list immediately as required by the Rules, as several slots are available on the list**, which I have downloaded yesterday, May 30, 2017, at about 22:10 pm.

The best interest of the children should not be delayed by four months just because there was a failure to follow the Rules by the Registrar.

More substantive letter to Chief Justice and the Minister of Justice regarding this matter will follow.

Sincerely,

Jan Uttl
